Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: Examiner and attorney of record discussed the invention, however, examiner expressed concerns that the "concept" of the invention is not implemented into the claim language. Specifically, examiner suggested the attorney of record to implement paragraph 21 and 24 of the specification into the claim language. Also, examiner notes, the Abstract contains more disclosure of the invention than the present claim language. Nevertheless, the attorney of record agreed to amend the claims to add further details of the invention to the claims..
